## **Pine Hill Police Department Participates in the 2016 Overbrook High School People's Choice Award**

### **SRO DiGiacomo Selected James Gameron as PHPD People's Choice Recipient**

The Pine Hill Police Department was honored to participate in the Overbrook High School People's Choice Awards Program. The People's Choice Awards Program at Overbrook High School is organized by Mrs. Jennifer Kohri, a dedicated teacher at Overbrook High School. Each year staff members at OHS are given the opportunity to select a student who demonstrates qualities such as high level of dedication to their education, a positive influence on others, and overall excellence in attendance, attitude, and citizenship.

James Gameron, a senior high school student at Overbrook High School, who continually showed great school spirit, academic excellence, and respect for others was selected by SRO DiGiacomo to receive the Pine Hill Police Department's School Resource Officer's Choice Award. SRO DiGiacomo recognized the positive influence that James had on his fellow students and the positive attitude he took toward his school work. James also takes the time to volunteer as a fireman in West Berlin and is currently in the process of furthering his education at the Fire Academy to better his future and to serve the community he lives in. James is a successful member of the community and we thank him for his hard work and dedication not just in school but outside as well.

James was presented this award at the event held on April 6, 2016 at the Overbrook High School 17th Annual People's Choice Award Ceremony. SRO DiGiacomo also presented James with the Pine Hill Police Department's Challenge Coin as a token of our appreciation of his efforts.

Congratulations to all of the students selected for their dedication to their education, positive influence on others, and overall excellence in attendance, attitude and citizenship. Keep up the great work!
