On May 8th, 2012 at approximately 2158 hours, Officers were dispatched to the 500 block of Meadow Drive in the Mason Run Condominiums for a report of gun shot in the area. Several witnesses reported an argument involving money and a male screaming for help after a single gunshot was heard. Witnesses described two males fleeing the area. A crime scene was located between the 500 building and the 600 buildings and as the result of a canine track, a victim was located in the area of the 700 building. The victim, a 25 year old male, reported he was walking from a local store when he was approached by two unidentified males, each armed with a handgun and they demanded the victim's money. The suspects held the victim at gunpoint in the rear of the 600 building for a short time, while pressing the barrel of the gun into the victim's face, causing small lacerations. The victim ran from the two suspects at which time one of the suspects fired a single shot in the victim's direction.

The victim said the two suspects were wearing dark colored hooded sweat shirts with the hoods up and blue bandanas around their faces. The suspects were both described as black males approximately 5'5 or 5'6 with thin builds. The suspects left the area in an unknown direction of travel.
