On Saturday, April 12th, 2014 at approximately 8:38pm a Pine Hill officer initiated a motor vehicle stop on Laurel Road, in the area of the Pine Ridge Apartments for an equipment violation. The vehicle continued into the Pine Ridge Apartments in Lindenwold before coming to an abrupt stop. As the vehicle stopped, the driver exited and fled from the scene. The vehicle, put into reverse by the driver, struck the Patrol Unit while occupied by the Officer. A perimeter was quickly established to secure the area and a K9 responded to the scene, but the suspect was not located.

Further investigation by both Pine Hill Officers led to identification of the driver of the vehicle and his possible destination. The subject was located in the 100 block of Blackwood-Clementon Road where he was taken into custody without incident.
