PINE HILL POLICE DEPARTMENT
MEDIA RELEASE

INCIDENT:	**Multiple Arrests:** Maintaining a facility to manufacture Heroin. Possession with intent to distribute Heroin, Crack Cocaine and other CDS	**DATE/TIME:**	04/04/2014
LOCATION:	Woodrow Rd Pine Hill, NJ	**CASE #:**	2014002616

On April 4th, 2014, the Pine Hill Police Department executed a search warrant at a residence in the unit block of Woodrow Road, resulting in the arrest of six individuals and seizure of a significant quantity of narcotics. The seizure included; 133 packets of suspected Heroin, equipment used to manufacture, process and package Heroin, a quantity Crack Cocaine, Marijuana, Methamphetamine, Methadone, Oxycodone and 87 Buspirone prescription legend pills, hypodermic syringes and other CDS paraphernalia. Also seized was a quantity of Fentanyl citrate, commonly used to lace Heroin. The seized Heroin will be tested to determine if it had been laced with Fentanyl.

The arrests and seizure were the result of a one month narcotics distribution investigation by members of the Pine Hill Police Detective and Patrol Bureaus, with the assistance of the Lindenwold Police Department. The investigation was initiated after the Department received complaints from concerned citizens regarding the distribution of narcotics and other quality of life issues in the area between Signal Hill Road and W. Branch Avenue, along Blackwood-Clementon Road.

Pine Hill Code Enforcement was contacted while Detectives were at the scene due to concerns of structural safety within the residence. The residence was deemed to be unsafe for occupancy and the Code Enforcement Official is continuing his investigation into the violations.

Three suspects who resided at the location were charged with multiple crimes, including;

- **Maintaining or operating a facility used to manufacture a Schedule I Narcotic**
- **Manufacturing with intent to distribute Heroin**
- **Possession of**; Heroin, Methadone Hydrochloride, Amphetamine, Crack Cocaine, Oxycodone, Prescription Legend Drugs, Equipment used to manufacture, process and package Heroin, CDS paraphernalia
