On July 16th, 2014, the Pine Hill Police Department, with the assistance of the Lower Camden County Regional Special Response Team, executed a search warrant at a residence in the 100 block of Country Club Road, resulting in the arrest of seven individuals and seizure of a quantity of narcotics. The seizure included; over 50 packets of suspected Heroin, a quantity Marijuana, Oxycodone and Suboxone, hypodermic syringes and other CDS paraphernalia.

The arrests and seizure were the result of a one month narcotics distribution investigation by members of the Pine Hill Police Detective and Patrol Bureaus, with the assistance of the Gloucester Twp. Police Department, during which an undercover police Officer purchased Heroin and Suboxone from one of the suspects. The investigation was initiated after the Department received complaints from concerned citizens regarding the distribution of narcotics and other quality of life issues in the area of Country Club Road.

Pine Hill Code Enforcement was contacted while Detectives were at the scene due to concerns of structural safety within the residence. The Code Enforcement Official issued a summons for improper rental of the property and is continuing his investigation into other safety violations.

All of the individuals were given the Drug Addiction Support Services contact form and urged to seek treatment for their addiction to opiates.

Residents are encouraged to report all suspicious activity in their neighborhood. Tips may be emailed to confidential@pinehillpd.com or called in Monday – Friday from 8:30am-4:30pm or 856-783-4900 after hours. To report an emergency, please call 9-1-1.
