### Sample of Social Media App Content

#### Apps Every Parent Should Know About

|   |   |
|---|---|
|  <p>Bumble is similar to Tinder, a popular dating app. Bumble requires the women to make the first contact. Kids use Bumble by creating fake accounts and using a fake age.</p>                    |  <p>Whisper is an anonymous social network that allows users to share secrets with strangers. It also reveals the users location</p>               |
|  <p>Live.Me is a live streaming video app. It uses your location to share videos so others can see your exact location. Users can earn "coins" as a way to "pay" minors for photos.</p>            |  <p>Encourages users to rate your profile and chat with strangers.</p>   |
|  <p>Ask.Fm is known for cyber bullying. The app encourages users to allow anonymous people to ask questions and get an answer. This has been linked to severe forms of cyber bullying.</p>         |  <p>Yellow app is designed to let teens flirt with one another in a Tinder like setting.</p>   |
|  <p>Snap Chat - This app promises that you can take a photo or video and it will disappear, with the recent story feature content can stay up to 24 hours and allow your location to be shown.</p> |  <p>The app description is "Together we can keep a secret". Allows users to post anonymous rumors about others through audio, text and photos.</p> |
|  <p>A self proclaimed "addicting" video app. Users can chat with people all over the world. User have been exposed to racial slurs, explicit content and more.</p>                                 |  <p>Wishbone allows users to compare kids against each other and rate them on a scale.</p>   |
|  <p>Calculator% - One of many secret apps used to hide photos, videos, files and browser history. It looks and acts like a calculator but a psscode will open the vault.</p>                       |  <p>Hide It Pro (HIP) is disguised as a music manager but it is meant for hiding anything from photos to text.</p>                                 |
|  <p>Allows anyone to contact and direct message users. This app is popular because you can create a fake account and does not require age verification.</p>                                      |   |
