We all know the life-changing effect COVID-19 has had on all aspects of life in general, which of course also applies to the operations of the Department. The ability to engage our community partners and members, especially our youth was challenging to say the least. Our members worked closely with the Pine Hill School District, Volunteers of America DV, and other key stakeholders to continue our policing model during unprecedented times.

From 2015-2019 the Department averaged 2100 hours of community related engagement over the five year period. In 2020 we were limited to 533, close to a 75% reduction. In 2021 we will continue to adapt and bring our level of engagement back to that we are accustomed to... In collaboration with all of our partners, we will collectively learn to overcome the obstacles and thrive in the "new normal"...
